

CONSTRUCTION NOTICE: WATER TREATMENT PLANT AND RESERVOIR

Trail users accessing the Cumberland Network via Davis Lake Main are advised that construction of a Water Treatment Plan and Reservoir is ongoing adjacent to the trail network in the vicinity of the chlorine shack. While the majority of construction activity will take place off the Davis Lake Main, considerable construction traffic will be accessing the site using Davis Lake Main. As this is a resource road, Cyclists and Pedestrians are reminded to follow standard rules of the road:

- Ride single file and stay to the right side of the road
- Have dogs on a leash
- Watch and listen for vehicle traffic at all times

Construction will be taking place from June 2018 until April 2019 and will take place generally between the hours of 7:00 AM to 5:00 PM, Monday through Friday.
