

**VILLAGE OF CUMBERLAND WATER SUPPLY SYSTEM UPGRADES
ALLEN LAKE SADDLE DAM PROJECT**

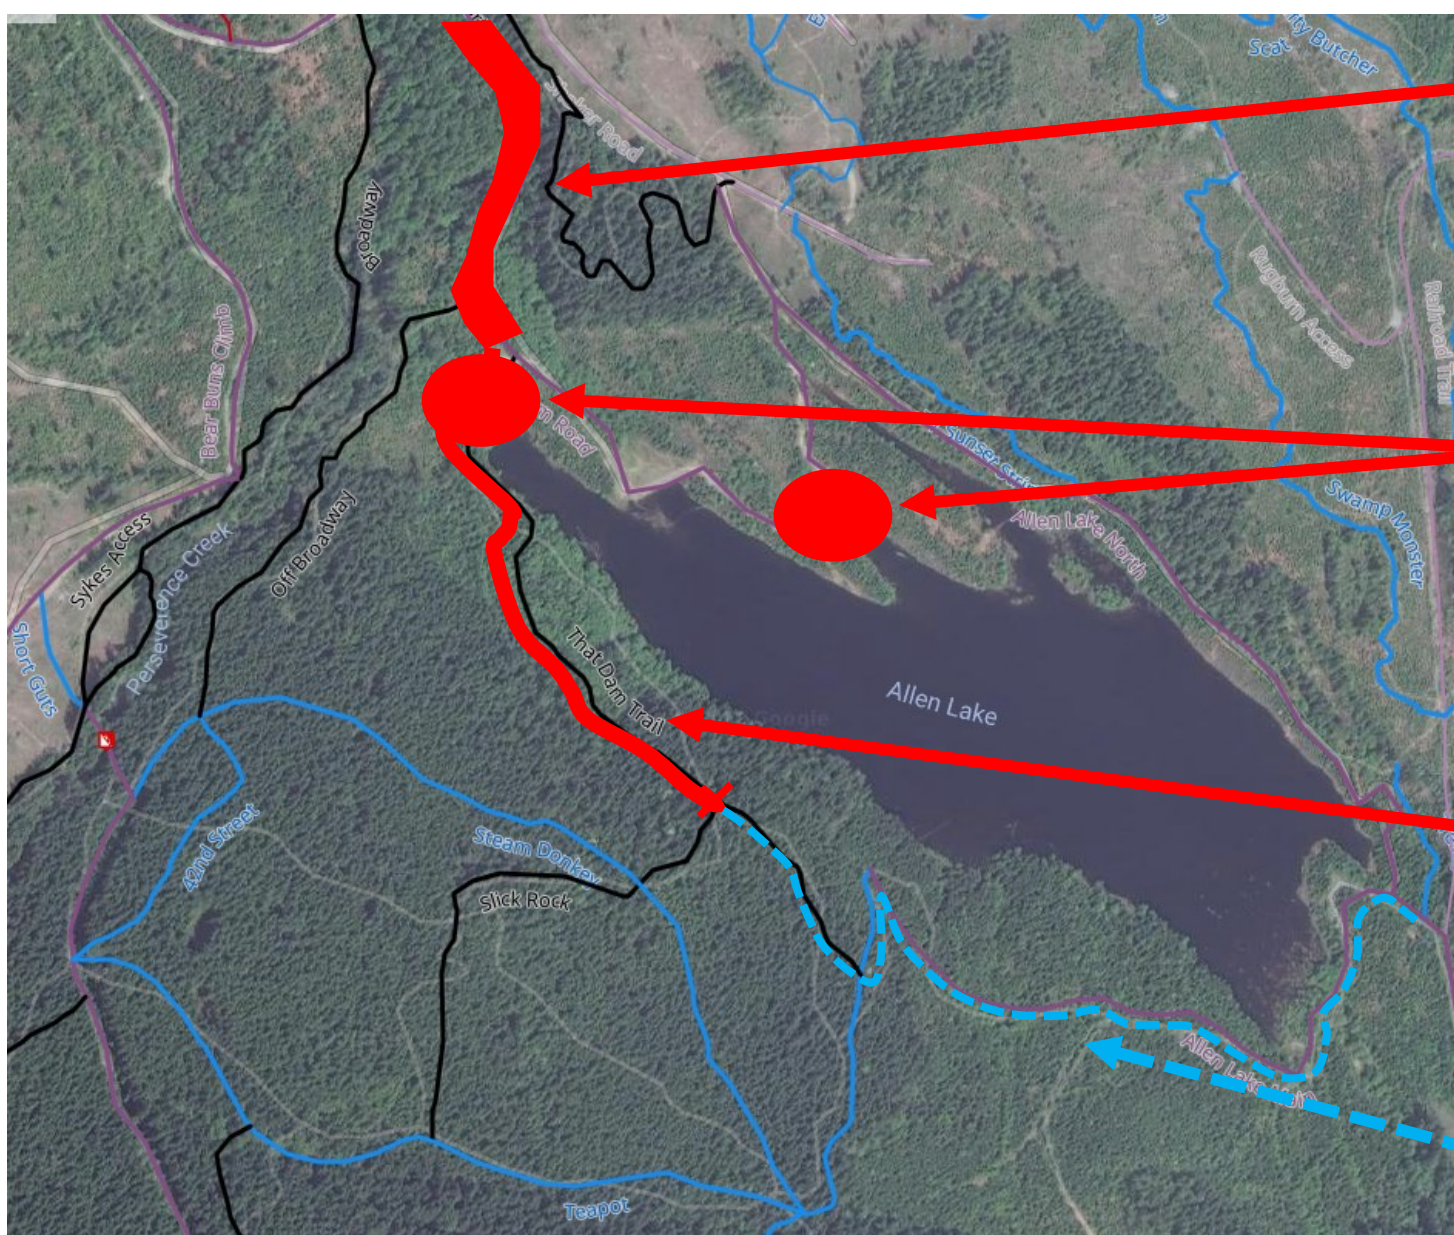

**NOTICE OF TEMPORARY TRAIL
CLOSURES: *THAT DAM TRAIL***

October 2018 – Construction work on the Allen Lake Reservoir saddle dams and access roads will result in periodic closures to *That Dam Trail* and roads in the vicinity of the reservoir.

THAT DAMN TRAIL closures are in effect 7:30am to 3:30pm, Monday October 9th to Friday the 12th and Monday-Tuesday October 15th-16th. Please avoid using the trail during these times, respect all signage, and follow directions of crews.

Trail users approaching the area from Teapot or Slick Rock are requested to detour via Teapot and the roads on the south and east side of Allen Lake.

Please also be aware of increased industrial traffic on Davis Lake Main from the gravel pit adjacent to Space Nugget to Allen Lake.
